

## Terminal Load

### Product Classification

Type Terminal Load

### General Specifications

Code LD-2-4310M-0038

Connector 4310 Male

### Electrical Specifications

Frequency Range (MHz) DC-3800

Input Power (W) 2

VSWR  $\leq 1.18$

Impedance( $\Omega$ ) 50

### Environmental Specifications

Working Temperature ( $^{\circ}$  C) -25~+65

Relative Humidity (%)  $\leq 95\%$

RoHS Compliant

Waterproof Grade IP67
